

As Required by Ohio Department of Health:

MASKS ARE NO LONGER REQUIRED
We will still be taking these steps to help
ensure the dancer's safety:

- Limited class size for social distancing
- 5th floor waiting area and dressing rooms are closed
- Lost and Found will be removed – any items left after classes will be thrown away
- Mats and individual equipment will be removed - dancers must bring their own mat or towel
- Hand sanitizer will be available throughout the facility
- Bathrooms will be cleaned every two hours using EPA-registered disinfectants

Our Extra Steps for Safety:

- Hand sanitizer will be available throughout the facility – especially in high touch areas
- Bathrooms will have antibacterial soap and wipes for handles and touch points
- Teacher will maintain at least 6 feet distance from dancers
- If more than one teacher uses a studio, the studio will be sanitized between teachers
- We have installed UV air filters in each studio
- Studios will be deep cleaned and sanitized each night
- Bathrooms will be cleaned after each use

Coming to the Studio Safety Steps:

- Wear leotard and tights under clothing – bring shoes only – leave large dance bag at home
- Dancers must bring their own water bottle
- Doors to lobby will open 15 minutes before class
- Dancers must wait in the lobby area
- Hand sanitizer will be used before entering the studio
- Dancers will go directly into studio to their assigned space
- Dancers must stay in the studio other than to use bathroom
- After classes, dancers will be taken back down using the elevator or stairs
- Parents will wait outside for students.

Reminders:

- Parents must register online and agree to COVID-19 release
- Make sure dancers know to sneeze into their elbow and cover cough – use hand sanitizers!
- If your child is not feeling well, **DO NOT** bring them to the studio
- A dancer who is not feeling well will be isolated in smallest studio and not allowed to return to class

**We must all work
together to stay
safe and healthy!**

**Failure to abide by the rules laid out for
your child's safety will result in removal
from class.**
